

## Be the next **FIDI 39 Club Scholar** & join us at the 2020 FIDI Conference in Osaka!

The annual FIDI Conference is undoubtedly the highlight of the FIDI community in general and of the FIDI 39 Club in particular. This is where we meet old and new friends and get together to grow and learn from one another – and it is the perfect opportunity for young professionals in our industry to improve their skills, learn from their peers and build relationships that will last throughout their careers.

The FIDI 39 Club board is very conscious of the fact that it's not easy for all 39 Club members to find the means to attend the FIDI Conference. **This is why the FIDI 39 Club Scholarship programme has been created: to give one deserving candidate the opportunity to attend the FIDI Conference, and gain exposure for an outstanding initiative.**

### **What will the scholarship cover?**

The scholarship will provide **up to 5,000EUR towards the cost of conference registration, accommodation at the FIDI-designated hotel, and economy travel.**

### **How can you qualify for the Scholarship?**

You have to be 39 or younger, work for a FIDI Affiliate and **share how you make an impact** – be it in your local community or in your company. We look forward to hearing about charity projects or **community services** that you are involved in, or any **additional dedication** you've shown towards projects within your company – such as taking care of even younger talents who've joined.

### **How can you apply?**

Tell us about your project in writing (minimum 1000 words, in a “business case” format - including problem/opportunity, benefits, risk, cost, solution, timescale, impact and long-term effects). You can add a video (max. 5 minutes) to support your project presentation

Your application has to be sent to [39club@fidi.org](mailto:39club@fidi.org) before 15 January 2019. The winner will be announced on 31 January 2020.
